### Stock up for the barbecue

WITH National Barbecue Week fast approaching it's time to stock up on quality meats to cook on the charcoals – and there is one Worcester butcher with more choice than most.

To celebrate the annual event, M&M Meats in St Swithin's Street is offering a range of delicious barbecue packs to tempt the tastebuds.

Proprietor Matthew Nemes said: "National Barbecue Week is the perfect excuse to get into the garden with friends and family and enjoy some quality food. We have a good range of homemade burgers including pork and apple, 100 per cent beef and minted lamb, as well as minted lamb steaks and grill sticks, chilli beef burgers, Chinese and barbecue pork ribs and a variety of flavoured chicken portions.

"We are also now stocking fresh fish
