# 11 Years in Business

The Cut Hair & Beauty Studio has grown from strength to strength over the past 11 years providing Hair and beauty treatments within a comfortable friendly atmosphere.

Proprietor Michelle Burns insists on the highest level of quality products, service and customer care to ensure that any client visiting returns again to relax and enjoy the various hair and beauty treatments available.

"Wella" "System Professional" products and the knowledge of The Cut's stylists cater for all hair types and requirements on the ground floor, each client is made to feel comfortable and relaxed to ensure they leave totally satisfied and looking fantastic.

The first floor is an oasis of tranquillity, here, nail and beauty treatments are carried out with brands synonymous with quality and professionalism such as "Caci," non surgical face lift, "Guinot," hydradermie "Md Formulations", "Crystal Clear" microdermabrasion and the ever popular "Bio Sculpture" gel nail treatment.

She believes in this difficult, stressful economic climate it is important to take time for you, to relax and enjoy treatments without paying over the top prices and without feeling intimidated in your surroundings.

Michelle would like to thank her colleagues and clients, new and existing, for their continued support in these difficult times.
