## PHOENIX RISING LIFE COACHING

Helping you achieve lasting success and happiness in your life

### What Is Life Coaching?

Life Coaching is an agreement between two people - coach and client - designed to bring about profound life changes in the life experience of the client. As Your Coach, my role is to guide and empower you to reclaim the happy, fulfilling life you deserve. Life Coaching, unlike counselling or therapy starts in the present moment, and promises life transforming **RESULTS**. As a Life Coach, I am proud of my 100% success rate\* with my clients. My

"secret to success" is my commitment to and passion for the techniques and principles which have changed my own life and led me to attract the lifestyle and relationships I had only ever dreamed of. With my guidance, you too can attain the personal and professional desires you have wanted for so long. I am Helen, a trained Life Coach. I have over 13 years experience in the field of self-development, working chiefly with "The Law of Attraction" as featured in the best selling

DVD "The Secret" and with "Cosmic Ordering", the amazing discovery that led TV celebrity Noel Edmonds to realise his amazing return to popularity and to claim a truly fulfilling life. Your time is now! Pick up the phone. Your first consultation session is **FREE**, so what is holding you back from living the life you have dreamed of? \*Testimonials available on request
